

2019 Scholarship Program

The Kaiser Permanente Latinx Association (KPLA) Scholarship Program is intended to support Students who demonstrate academic achievement, commitment to the Latinx Community, and/or leadership potential. Students that have a desire to address health disparities in the Latinx Community and/or support the development of Latinx Health Care leaders are encouraged to apply.

KPLA is offering scholarships in three categories. To be eligible to apply, the **zip code for your school and home must be in a Kaiser Permanente Northern California Service Area.**

Category 1: Medical Student

Category 2: Nursing Student

- Must be working to complete an ADN (Associate Degree in Nursing), a BSN (Bachelor's Degree in Nursing), or an ABSN (Accelerated Bachelor's Degree in Nursing)
- A GPA of 2.5 or above is required.

Category 3: Graduating Senior, Undergraduate, Graduate Student

- A graduating high school senior that will be enrolled as a college student beginning Fall 2019.
- A high school graduate currently enrolled in community college/trade program.
- An undergraduate or graduate student enrolled in a public/private college/university.
- A GPA of 2.8 or above is required.

Students that aspire to a career in the health care field are preferred. This can include clinical/direct patient care and non-clinical (such as administration, business, and support service functions) areas of interest.
