

TPMG Choice Program

Application Cycle: October 1, 2023 - October 31, 2023

Tuition assistance for non-represented TPMG Nurses

The TPMG Choice program is designed to provide tuition assistance for TPMG non-represented benefited registered nurses in Northern California to increase their **professional practice and leadership development**. This tuition assistance is available only to TPMG nurses who have at least **90 days of service at Kaiser Permanente**, obtain **manager approval**, and who are currently **accepted into an accredited BSN or graduate program**.

Program Details

- Annual application to Nurse Scholars Academy is required.
- Availability of tuition assistance is based on annual TPMG Choice program funding.
- Participating employees must maintain good standing as defined by the academic institution
- Qualified education assistance funds (e.g., National Tuition Reimbursement, TPMG Choice program) received from Kaiser Permanente amounting to more than \$5,250 per year are taxable income.

Application Process

Applications accepted during open application cycle, note that funds are limited - apply early with the following:

- Résumé or CV
- Brief statement of purpose describing how the academic program will influence your professional practice and leadership development at KP
- Proof of acceptance into the academic degree program (e.g., a letter of acceptance, registration, proof of enrollment, unofficial transcript)
- Direct supervisor's name, NUID and KP email
