

February RIA Grand Rounds

Caring Science Unveiled: Cultivating Compassionate Values and Cultural Transformation at Kaiser Permanente

Feb. 26, 2024
4–5 p.m. PST

Speakers:

Rayne Soriano, Ph.D., RN, NE-BC
Regional Director, Professional Excellence &
The KP Scholars Academy,
NCAL Regional Patient Care Services

Erica D. Hooper, DNP, RN, CNS, CNL, PHN
Program Director, KP Caritas Coach Education Program
(CCEP), NCAL Regional Patient Care Services

This presentation will unveil a theoretical and experiential journey through the history of Caring Science at KP from its inception to the present time. The Kaiser Permanente Professional Practice Model for nursing will be addressed by weaving in the perspective of Caring Science. The theoretical components will be explained and highlighted through best practices that reveal the integration of Caring Science at Kaiser Permanente.
