

Registration Is Now Open! 2024 Equine Leadership Program

This program seamlessly integrates Caring Science theory and HeartMath® best practices to cultivate a leadership style that resonates with empathy, mindfulness, and authenticity.

Embark on a transformative journey with our Equine Leadership Program, specially crafted for leaders and teams seeking to reconnect and thrive in the post-pandemic era. Participants will delve into exercises that enhance leadership consciousness, fostering an environment where compassion, competence, and confidence flourish.

“The equine experience is transformative to head and heart for individuals and teams...The investment of time is well worth it!” Ann Williamson, PhD, RN, NEA-BC, former Regional CNE for KP NCAL

Provider approved by the California Board of Registered Nursing. Provider # CEP 2365, for 9.25 Contact Hours. CEs collected through HealthStream.
