

# Caring Science in Action: The Clinic (Re)Brilliance Workshops

**1-Day In-Person Workshop April 22  
KP Point West Medical Offices  
Conference Room 1&2, Sacramento  
8 a.m. - 4:30 p.m. PST**

Please join us in “A Brand New Experience” of the (Re)Brilliance Workshops in 2024 as we connect to and embody **Caring Science** through creative practices that honor our humanity and activate our authentic presence.

**Together, we invite you to co-create spaces of joy and healing through caring human relationships, self-care, and nurturing moments.** Through the arts, play movement, and poetry we will enliven and embody our holistic humanity as we care for and model what it means to be authentically present in our joy and compassion towards ourselves, our colleagues, and our patients.
