Advancing Nursing Excellence: Integrating Academic Progression, Magnet Principles, and the Nursing Professional Practice Model with Purposeful Leadership

Janet Sohal, Reg'I Director, Kaiser Permanente NSA & Magnet

Rayne Soriano, Reg'I Director, Prof. Excellence & KP Scholars Academy

We invite Dr. Janet Sohal and Dr. Rayne Soriano to illuminate the synergy between academic degree progression, Magnet standards, and our Nursing Professional Practice Model under the theme "Leading with Purpose." This discussion will delve into how these elements collectively foster an environment of excellence, innovation, and leadership in nursing, highlighting the critical role of purpose-driven leadership in achieving superior patient outcomes and nurturing a dynamic, professional nursing practice.
